

"Happy Chinese New Year!"

# Iron Class (Fe)

February 2012

## Grade 12

 Issue # 6

### What we studied in January ...

- **Science** - Grade 12 investigated gases and liquids.
- **Mathematics** - Grade 12 studied graphs, linear equations, and solved linear inequalities.
- **Language Arts** - Grade 12 completed their study of 'The Invisible Man' and continued to practice their grammar and essay-writing skills.
- **Social Studies** - In G12 Psychology class we studied functions of consciousness and altered states of consciousness.

### What to expect in ... February!

- **Science** - Grade 12 will be investigating the properties of acids and bases..
- **Mathematics** -Grade 12 will continue with their investigation of graphs and algebra.
- **Language Arts** - Grade 12 will begin reading 'Dr. Jekyll and Mr. Hyde' and continue to develop their grammar and essay writing skills.
- **Social Studies** - In our Psychology classes the students will be studying sensation and perception.

**Mr Simon's Weird World!**

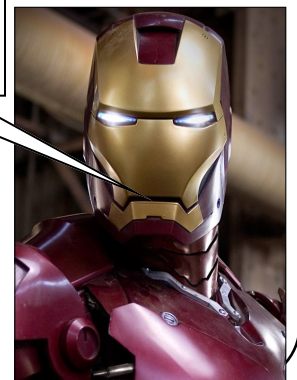

**Crabs attack garbage-bins!**

**You have been WARNED!**

### Diary Dates

- **February 15th -17th:** Parent-Teacher conferences. If you need to contact teachers about any concerns or queries this would be an ideal time to do so.

"Enter the Dragon"

### Mr. Simon's TOP TIPS!

*Helpful advice to assist teenagers in the modern world.*

#### Minor Skin Grafts ... On Pigs!

Can be performed quite cheaply and simply by covering any cuts and grazes with thinly sliced pieces of bacon!
